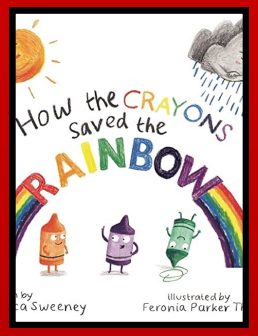
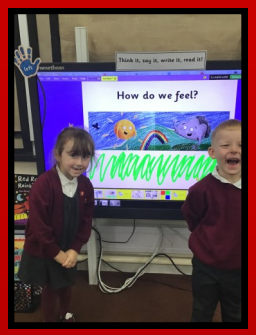
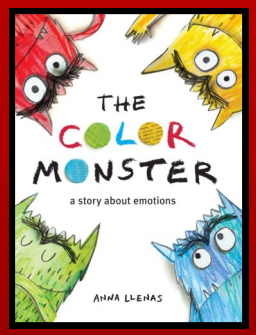
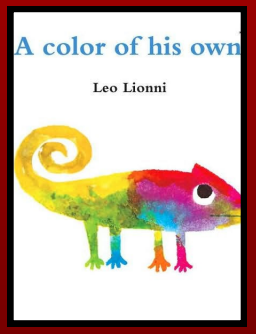
Reception
Autumn One

TOPIC









In our class we have been learning about colours. All of our stories have had a colour theme.

During the first half term we have been getting to know each other. We have made lots of new friends and we are getting along very well.

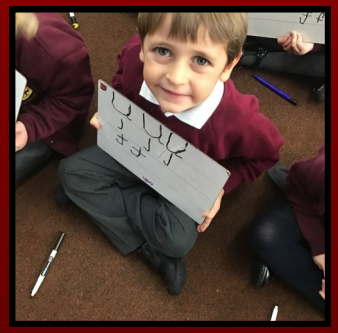
We love our new classroom and we are becoming very good at using the different areas in our classroom.

MATHEMATICS

In Mathematics we are practising our counting and learning how to recognise number 1-5.

We enjoy using our Mathematics Area to apply our learning.

LITERACY



During our Literacy lessons we have been learning how to write our names. We are also learning lots of different sounds. We like thinking of things that have the same initial sound as our name!
