A new plastic, tin and cardboard bin has been delivered to school so that we can recycle more of our waste. Thank you to all involved. Keep up the good work.

Pathway Closed:

We have had to close the pathway into school due to a number of flags being raised and becoming a potential trip hazard.

Work to repair the flags has been scheduled.

For the time being, please use the car park entrance.

With this in mind, please park with extra vigilance so that the children can depart school safely.

Monday, 14th October is Y6 Bikeability week, so please be careful with your bikes around school, especially in the car park.

Thank you to Justine Silcock from CAFOD who visited school this morning to speak to the children about the work of CAFOD and its aims for this year.

'Every Child has the right to have water'
