Web-Site

A considerable amount of work has been completed on the web site over the 6-week holidays and during the past few weeks.

Redundant and outdated materials have been removed from most pages.

Current information has been added.

There are some draft policies on the site.

These have yet to be accepted by Governors (Late October and November) which is why the previous document is still there.

There is still some work to be done, including:

Pupil's comments about their work – boxes containing latin words.

Photographs to be added (cross-referencing photos against permission to be on the web-site / Facebook).

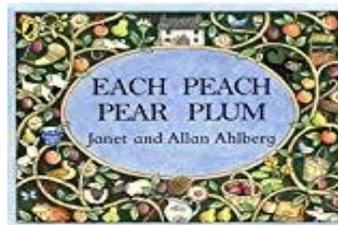

Check for duplication of documents

Birthday Donations - CAFOD:

A huge thank you to all the children who have made a donation to CAFOD on their birthdays so far this year. These donations, throughout the year, help the charity to provide aid to some of the most difficult-to-reach people in Africa, Asia, Latin America and the Middle East.

If your child wishes to contribute £1 in return for wearing their own clothes on their birthday, then donations can be dropped off with Mr Gore in the School Office.

keeping all children and adults safe.
