Pupil Parent Conference:

Thank you to all who attended yesterday (and to those who have booked an alternative time slot). We hope you found the occasion worthwhile and you enjoyed spending time with your child(ren) looking through their books and celebrating their successes.

School council members have met this week to discuss different ideas as to how we can improve school. They have suggested that we have a green house so that we can grow different fruits, plants and vegetables.

This is something we are looking into.

Mr Gore is working away on Phase 2 of the Forestry bid. Hopefully, we hear positive news on this shortly.

Coronavirus

You should have received notification from the office today that Hindsford CE School was closed today and is scheduled to be closed on Monday also. Ourselves and Hindsford Day Nursery are still open.

We will continue to update you as and when we have meaningful information.

I appreciate this is a very worrying time and the implications of schools being shut or potentially shut for a length of time only fuels this feeling of uncertainty.

Schools are being asked to remind children and visitors to school of good hygiene and the importance of washing hands with warm water and soap.

Rest assured, if we receive any changes to the current advice, we will do our utmost to inform you in a timely manner.

Let's Sing with St. Mary's.

Wednesday, 18th March – Year 4 and choir. Letters have been sent home regarding this fantastic opportunity. Thank you to Mrs Woodward (Sacred Heart) and Mrs Edwards (St. Mary's) for providing this experience for our 2 schools.
