

Sacred Heart Catholic Primary School

Friday, 20th March, 2020

Dear Parents,

I don't have much to update you on today that hasn't already been shared. In the coming days and weeks we will undoubtedly have further questions or queries which will need answering. I will update you all as much as I can.

Thank you to all who have been able to make it in this week. Seeing your children's happy faces have certainly helped keep spirits up. To those who have been in self-isolation, we have been thinking of you all.

Year 5 have managed to raise a staggering £ 187.66 for CAFOD. Considering we have had several children missing, this is an amazing amount. Well done all.

Today, marks the start of unprecedented times of which have never been seen before in modern history. I know that we have the strength to live through this and come out the other side much stronger for it.

It has been difficult reassuring everybody as there is so much information and speculation circulating at the moment and it has been difficult to separate fact from fiction. I have been assuring staff, that with every breath we take and with every passing second, we are that bit closer to seeing the first spec of light at the end of this tunnel. Each day, the spec of light will be that little bit larger and one day, the spec will be a very bright light and we will be leaving this tunnel of darkness.

Remember to keep smiling and enjoying the good things in life we still have.

Saying thank you to you all (children, parents, staff and governors) does not seem enough. Your unwavering support has been very much appreciated and by working together we have been able to provide a level of normality for our children.

Take care all. See you all soon.
