Forest School Update:

Our initial funding application has been accepted in principle and we are now entering the second round of approval.

It is looking positive and fingers crossed we will have some good news to bring you nearer to the summer term.

Thank you once again to Mr Gore for the work you have already done on this and the work required for the next stage.

If any family members are interested in reading to children in Reception - Year 2, then please contact either Mrs Johnson or the school office.

Matthew 6:17 – 18

17 When you fast, put oil on your head and wash your face, 18 so that it will not be obvious to others that you are fasting, but only to your Father, who is unseen; and your Father, who sees what is done in secret, will reward you.

Lent is the period of 40 days which comes before Easter in the Christian calendar. Beginning on Ash Wednesday, **Lent** is a season of reflection and preparation before the celebrations of Easter.

Thank you to Father Paul for sharing the ashes with us on Wednesday and for helping us to understand Lent (Repentance) so that we are prepared for Easter.

Hinduism Week.

Next week, as part of our RE curriculum we study another religion. This year, we are studying Hinduism. A visitor to school has been planned to enrich the curriculum matter. The visitor will be working with children in Reception, and Years 2, 4 and 6.

On Friday, we will be holding a celebration assembly. A small group of children from each class will talk about their work. Parents (whether your child is speaking or not) are welcome to attend. The children chosen to represent each class will only be selected at the end of the week.

Thank you Miss Ditchfield for organising.

- Do you think we could make some improvements together?

We are hosting a range of roadshows across the borough which will give tenants the chance to come and talk to council officers.
