Free School Meals National Scheme:

Thank you for your patience with this. Once again thank you to Mr Gore for all your efforts in supporting parents with the teething problems encountered.

McColls have now been added to the list of places they can be used. Please refer to Thursday's Parentmail for further details.

If you are experiencing any problems with these, please contact the school office.

New Starters

Thank you to Miss Worrall for updating the information we share with parents at our Inspire Sessions. A copy of this information can be found on our website under the 'New Starters' tab. Alternatively click on the link below.

If you know of anyone who is due to start our school in September, please direct them to this information.

Thank you for your support in this matter.

Dear Parents,

I hope this newsletter finds you all well. Don't forget the May Day Bank Holiday has been moved to Friday (8th May) this year in commemoration of the 75th anniversary of VE day. Look out for VE themed activities next week.

If any key workers require school next Friday then please contact school as soon as possible so that provision can be made, otherwise we will be closed this day.

Thank you all for all that you are doing at home supporting your children. I have uploaded some more alternative websites to explore, one being the Oak Academy link (some of these have been shared earlier in the week on Facebook). This is a DfE recommended site and has been set up to support home learning. Please note, we (along with many other schools) teach Science and the Foundation subjects in a different order to how it is presented here. The children should know which topics they are studying. If not, then you can find this information on our website.

Once again, if you have any issues with submitting work or have missed a task on Purple Mash, please do not worry about this. We fully understand that many of you are faced with ever changing circumstances or have more than one child vying your time and support. Keep doing the best that you can.

Take care

Mr McDermott
