

Sacred Heart Catholic Primary School

Friday, 19th June, 2020

Dear Parents,

I hope this newsletter finds you and your family well. As always, if your home circumstances change, please do contact the school office via email. Thank you to those who have been in touch over the week and 'thank you' for your continued patience whilst we work with limited office capacity. We look forward to welcoming your children into school next week. Please note: You will need to follow the start and end times relating to Key Worker children.

If your child(ren) are not coming in on a requested or designated day, please do email the school office to let us know.

Next week, we will be providing for 30 Key Worker / Vulnerable children. Some days will be busier than others, so please do adhere to Social Distancing.

We also welcome back our Reception children on Monday. Father Paul, will hopefully be joining us to welcome them back to school. We look forward to seeing you all and we hope you are excited about returning. Please follow the one way system and keep to the designated drop off and pick up times we have sent to you. This is to ensure that we can keep everyone safe and well. We have almost a full class returning (Thank You) so it is important that you follow the procedures we have put in place.

Key Worker Start Times - 8.30 am – 8.55 am

Key Worker End Times – before 2.30pm or between 3.35pm and 4pm.

Entrance and Pick-Up – School Office

Reception G1 Start Times – 9 am

Reception G1 End Times – 3 pm (Friday – 12.25pm)

Reception G2 Start Times – 9.15 am

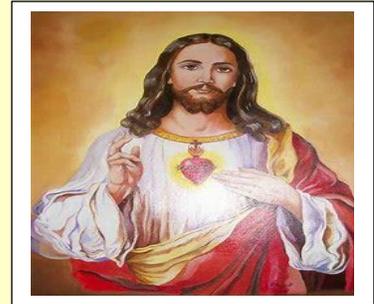

Reception G2 End Times – 3.15 pm (Friday – 12.35 pm)

Reception G3 Start Times – 9.30 am

Reception G3 End Times – 3.30 pm (Friday – 12.45 pm)

Have a lovely and relaxing weekend.
Take care and stay safe.

Mr M^cDermott

Parents of children in Year 1 and Year 6.

The DfE have once again changed their daily registers. They now do not require you to contact school if your child is unwell.

Apologies for the changing information.

Social Distancing - Stay Alert:

Schools are being asked to remind our local communities to 'Stay Alert' and adhere to the social distancing guidelines.

This is particularly important, considering the contents and concerns of Professor Arden's latest letter.

HM Government

CAFOD'S National Assembly:

“Creating a hopeful summer”.

If you were able to join in the assembly, we hope you enjoyed it. Thank you for taking the time to contribute to what CAFOD is aiming to achieve. Without your help, organisations like CAFOD cannot exist or function.

Oak National – Mental Well-being Assembly with the Duchess of Cambridge

If you were able to join the assembly, we hope you found it useful. If you missed it, I believe you can still access it. Please **copy and paste the link below into your browser:**

National On-Line Safety:

Screen Addiction Online Safety Guide for Parents & Carers

It can be challenging for parents and carers to know whether children are spending too much time on their devices. As technology is becoming more pervasive, children and young people are experiencing tech – related dependencies. Do we as parents and carers have the knowledge to identify and support children and young people who may be developing an addiction to their devices?

For support and advice, **copy and paste the link below into your browser:**

Home Learning:

Don't forget to keep up with your daily reading and continue practising your recall of table facts on TT Rockstars.

Religious Education (RE):

The Archdiocese have sent additional resources relating to the Universal Church Topic. Please click on the link below to access them.

End of Year Reports:

End of Year Reports will be sent to parents / carers during the last week of term. These are a follow up report from the last report you received (Thursday, 12th March) up until school closed (Friday, 20th March).

This year, the DfE have withdrawn the attainment and attendance criteria.

For those in Reception, attainment in the 17 areas of learning is not to be recorded. The reports will still have comments against each of the 3 characteristics of learning.
