Based on the Relationship, Sex and Health Education Policy (RSHE) –  
Liverpool Archdiocese

Created in the light of instruction from the Conference of Bishops in England and Wales about the importance of RSHE in the curriculum and following the publication of the document 'Learning To Love'.

Policy written B.Ditchfield

RE / RHSE Lead Autumn 2022

Accepted by Governors: *J. Carter* signed (chair)  
*J. M. Dermott* signed (Head)

Shared with staff: date: Autumn Term 2022

### **Mission Statement:**

**By living out our Catholic faith**

**TOGETHER**

**we ENCOURAGE**

**and ACHIEVE.**

**I have called you by name.**

At Sacred Heart we recognise that each of our children is unique and made in the image of God. RSHE promotes self-esteem and well-being. It helps them to form and maintain worthwhile and satisfying relationships, based on respect for themselves and others, at home, at school and within the community. RSHE is an important part of the education of the whole child.

### **Rationale**

'I HAVE COME THAT YOU MIGHT HAVE LIFE AND HAVE IT TO THE FULL'

(Jn.10.10)

We are involved in Relationship, Sex and Education (RSE) precisely because of our Christian beliefs about God and about the human person. The belief in the unique dignity of the human person made in the image and likeness of God underpins the approach to all education in a Catholic school. Our approach to RSE therefore is rooted in the Catholic Church's teaching of the human person and presented in a positive framework of Christian ideals.

At the heart of the Christian life is the Trinity; Father, Son and Spirit in communion, united in loving relationship and embracing all people and all creation. As a consequence of the Christian belief that we are made in the image and likeness of God, gender and sexuality are seen as God's gift, reflect God's beauty, and share in the divine creativity. RSE, therefore, will be placed firmly within the context of relationship as it is there that sexuality grows and develops.

Following the guidance of the Bishops of England and Wales and as advocated by the DFE (and the Welsh Assembly Government) RSE will be firmly embedded in the PSHE/RSHE framework as it is concerned with nurturing human wholeness and integral to the physical, spiritual, emotional, moral, social and intellectual development of pupils. It is centred on Christ's vision of being human as good news and will be positive and prudent, showing the potential for development, while enabling the dangers and risks involved to be understood and appreciated.

All Relationship, Sex and Health Education RSHE will be in accordance with the Church's moral teaching. It will emphasise the central importance of marriage and the family whilst acknowledging that all pupils have a fundamental right to have their life respected whatever household they come from. It will also prepare pupils for life in modern Britain.

### **Aim**

Sacred Heart Catholic Primary School, aims to provide a suitable programme that follows the statutory need to include RSHE into their curriculum from September 2020 which meets the ethos of its Catholic identity and mission. The purpose of this Relationship, Sex and Health Education (RSHE) policy is to set out the ways in which the school's provision supports pupils through their spiritual, moral, social, emotional and physical development, and prepares them for the opportunities, responsibilities and experiences of life growing up in today's world.

Our School's mission embraces the spiritual, physical, intellectual, emotional, moral and social development of children and young people, and through an agreed approach to Relationship and Sex Education (RSE) using the Archdiocesan recommended resource 'Journey In' Love 2020 we believe that we can promote the development of the whole child, so that children can grow in *virtue, wisdom and stature*, understanding both the emotional, social and physical aspects of growing spiritually, as well as moral aspects of relationships within a context of a Christian vision for the purpose of life. (See 'Journey In Love' Overview 2020.)

The other aspects of the Statutory curriculum intent will be met by RSHE. At Sacred Heart, is not delivered in isolation, but firmly embedded in all curriculum areas including Personal, Social, Health and Economic (PSHE) education, Citizenship and Science (see RSHE Overview for the cross curricular, integrated approach). There are opportunities to teach about relationships in every day interactions by all who are part of the Catholic family that is Sacred Heart, for example as set out in the Code of Conduct and embedded in policies such Behaviour and Anti Bullying. Our school is a nurturing place in which people are valued and treated with respect.

Whilst some aspects of RSHE are non-statutory, significant aspects remain as part of the National Curriculum for Science and as such, are statutory for all pupils. [Parents are unable to withdraw from statutory content]. Our role and our programme simply complement the parent's role in nurturing their children's human wholeness.

However, the role of parents and our day to day interactions in school are currently supported by the following curriculum resources: Come and See RE Programme, Journey in Love, RSHE, Science and the 'Diversity' Scheme.

## **The Purpose**

The aims of Relationship, Sex and Health Education (RSHE) at Sacred Heart Catholic Primary School are to:

- Provide a framework in which sensitive discussions can take place.
- Help pupils develop feelings of dignity, self-worth, self-respect, confidence and empathy.
- Prepare pupils for puberty and give them an understanding of sexual development and the importance of health and hygiene.
- Create a positive culture around issues of sexuality and relationships.
- Teach pupils the correct vocabulary to describe themselves and their bodies.

## **Statutory Requirements**

At Sacred Heart Catholic Primary School, we must provide Relationships Education to all pupils as per section 34 of the Children and Social work act 2017.

In teaching Relationship and Sex Education, we must have regard to Catholic Education Service guidance issued by the Bishops Conference of England and Wales 2017.

The statutory guidance from the Department for Education issued under Section 80A of the Education Act 2002 and section 403 of the Education Act 1996 Appendix A

The statutory guidance from the Department for Education Equality Act 2010.

## **Policy Development**

This policy has been developed in consultation with staff, pupils and parents. The consultation and policy development process involved the following steps:

1. Review –Mr McDermott, Mrs Delargy, Mrs Wilde and Miss Ditchfield, met to amend any necessary changes needed to the policy in order to make sure it is in line with any national or local changes.
2. Staff consultation – All school staff were then given the opportunity to look at the policy and make recommendations.
3. Parent/stakeholder consultation – parents and any interested parties including the Diocesan adviser/schools officers were invited to attend meetings about the policy. Due to Covid-19 these were sent electrically for all parents and any other interested parties to read and provide feedback if required.
4. Pupil consultation – We investigated what exactly pupils want from their Relationship Sex and Health Education.
5. Ratification – Once amendments were made, the policy was shared with governors and ratified. This policy was then made available to view via the schools' website. Hard copies will also be available at the schools' office.

## **Definition**

Relationship, Sex and Health Education involves a combination of sharing information, and exploring issues underpinned by our Catholic values.

Relationship Sex and Health Education is about the emotional, social and cultural development of pupils, and involves learning about personal relationships, sexual health, sexuality, healthy lifestyles, diversity and personal identity.

## **Curriculum**

We have developed our curriculum with recommendations from the Archdiocesan Education Department to ensure that they meet with Catholic Church teaching.

After consultation with parents Relationship Sex Education will be covered using the Archdiocesan recommended resource 'Journey In Love' 2020 this includes \*sexual intercourse at Year 6. (See right of withdrawal)

We have considered the age, stage and feelings of pupils and have consulted with parents and staff to ensure we are offering a quality curriculum which is adequately catered to meet their needs.

We have adapted the 'Lifewise' Primary Scheme of Work so that it is firmly embedded in all curriculum areas (see RSHE Overview for the cross curricular, integrated approach). There are opportunities to teach about relationships in every day interactions by all who are part of the Catholic family that is Sacred Heart. We acknowledge that every area of school life can potentially contribute to RSHE as the school operates through positive human relationships. We recognise value and greatly appreciate the contribution made by all members of staff. This helps deepen the quality of our Christian community.

At Sacred Heart Primary School, we have also included the resource 'Diversity' as part of our curriculum. The resources aims to bring children and parents on board from the start so that children leave primary school happy and excited about living in a tolerant community full of differences and diversity (See document 'Diversity Overview' for full list of books and learning outcomes).

Teachers will use their professional judgement when addressing issues in RSHE. Careful consideration will be given to the wide and varied experience and backgrounds of the pupils in their care.

Teachers cannot offer unconditional confidentiality during these sessions. Pupils will be advised of this prior to sessions beginning. Any disclosures made during these sessions must be dealt with in accordance with the current Safeguarding Policy.

Staff are aware that views around RSHE related issues are varied. However, while personal views are respected, all RSHE issues are taught without bias. Topics are presented using a variety of views and beliefs so that pupils are able to form their own, informed opinions but also respect others who may have a different opinion. Both formal and informal RSHE arising from pupils' questions are answered according to the age and maturity of the pupil(s) concerned and the limits of the year group topics. The school believes that individual teachers must use their skill and discretion in this area and refer to the Designated Safeguarding Lead if they are concerned or believe any pupil to be at risk.

If pupils ask questions outside the scope of our curriculum, teachers will respond in an appropriate manner so they are fully informed and do not seek answers online.

## **Delivery of Relationship, Sex and Health Education (RSHE)**

Relationship and Sex Education (RSE) is taught both discretely and within the Personal, Social and Health Education (PSHE) curriculum lessons. Some aspects of the RSHE curriculum may be touched upon in other lessons as it shares links with Religious Education, Science and Physical Education.

Our RSHE will ensure that content is relevant to the age, experience and maturity of pupils.

The new statutory guidance for Relationships education focuses on teaching the fundamental building blocks and characteristics of positive relationships including:

- Families and people who care for me.
- Caring friendships.
- Respectful relationships.
- Online relationships.
- Being safe.

These areas of learning are taught within the context of 'family life' and could include married or single parent families, same sex parents, families headed by grandparents, adoptive parents, foster parents/carers amongst other structures, along with reflecting sensitively that some children may have a support structure around them (for example: looked after children or young carers).

As a school, we promote equality of opportunity and foster good relations. Our school environment uniformly applies values of inclusion and respect to all pupils and their families. All staff are proactive in promoting positive relationships and receive regular training.

### **Equal Opportunities**

All pupils have access to the RSHE curriculum. Where pupils have specific educational needs, arrangements for support from outside agencies and support staff are made to ensure these pupils have an appropriate, differentiated curriculum.

At Sacred Heart, teachers ensure that the content, approach and use of inclusive language reflect the diversity of the school community, and will help all pupils to feel valued and included, regardless of their gender, ability, disability, experiences and family background. RSHE strives to meet the needs of all pupils regardless of their developing sexuality and deals honestly and sensitively with sexual orientation, answers appropriate questions and offer support in-line with national expectations and requirements.

Sacred Heart may call upon help and guidance from outside agencies and health specialists to deliver aspects of RSHE. Such visits will always complement the current programme and never substitute or replace teacher led sessions. It is important that any external visitor is clear about their role and responsibility whilst they are in school delivering a session. Any visitor must ensure that all teaching promotes the Catholic principles and practice. The school is particularly thankful of the help available from the local diocesan agencies and charities such as CAFOD.

### **Roles and Responsibility**

#### **The Governing Body**

The governing body will approve the RSHE policy and hold the headteacher to account for its implementation.

#### **The Headteacher**

The headteacher is responsible for ensuring that RSHE is taught consistently across the school and for managing requests to withdraw pupils from the non-statutory element of Relationship and Sex Education in Year 6\* (see right of withdrawal)

#### **Staff**

Staff do not have the right to opt out of teaching RSHE as this forms part of the Teaching Standards. Any staff who have concerns about teaching RSHE are encouraged to discuss this with the headteacher.

Staff are responsible for:

- Delivering RSHE in a sensitive way which complies with Church teaching.
- Modelling positive attitudes to RSHE.
- Monitoring progress.
- Responding to the needs of individual pupils.

- Responding appropriately to pupils whose parents wish them to be withdrawn from the non-statutory components of RSE.

Staffs are kept informed of developments in key aspects of RSHE, including links with safeguarding, inclusion, equality, child protection and antibullying, through regular training provided at staff meetings and INSET days. Staff have also completed the online RSHE training course (Summer 2020).

### **Pupils**

Pupils are expected to engage fully in RSHE and, when discussing issues related to RSHE, treat others with dignity, respect and sensitivity.

### **Parents' right to withdraw**

Parents have the right to withdraw their children from the non-statutory component of sex education in Year 6. This is where sexual intercourse is taught discretely as part of the Physical aspect within Journey In Love the Archdiocesan recommended resource.

Requests for withdrawal should be made in writing and addressed to the headteacher. The headteacher will discuss the request with parents and take appropriate action.

Alternative work will be given to pupils who are withdrawn from RSE.

Parents do not have the right to withdraw their children from Statutory Relationships Education as set out in the DFE guidance 2020.

### **Monitoring arrangements**

The delivery of RSHE at Sacred Heart Primary School, is monitored by a range of subject leaders by undertaking learning walks, staff and pupil consultations, planning and work scrutinise and questionnaires.

Pupils' development in RSE is monitored by class teachers as part of our internal informal assessment systems.

This policy will be agreed annually by the governors and reviewed every three years.

### Come and See and Relationship and Sex Education

#### Introduction

The following is intended as a guide for linking Relationship and Sex Education with Come and See. Some of these aspects might be covered in the EXPLORE section where the topic is being introduced, starting with the pupil's own experience, and extending into the REVEAL and RESPOND sections. Some ideas may be used in the REVEAL process where the teaching is explicitly concerned with Scripture and the teaching of the Church. Some topics offer more explicit teaching to develop ideas about Relationship and Sex Education, some less so.

Another way of using this section is when teaching Religious Education which occurs in other aspects of the curriculum e.g. Science, P.E, PSHE etc.

## **Appendix 5: Diversity Overview**

### **{Diversity' in our school teaching the Equality Act in primary schools.**

#### **The Equality Act 2010**

The Equality Act 2010 legally protects people from discrimination in the workplace and in wider society. It replaced previous anti-discrimination laws with a single ACT, making the law easier to understand and strengthens protection in some situations such as:

- \*Age
- \*Disability
- \*Gender reassignment
- \*Marriage or civil partnership
- \*Pregnancy or maternity
- \*Race
- \* Religion or Belief
- \*sex/gender
- \*Sexual orientation

The public sector Equality Duty came into force on 5<sup>th</sup> April 2011 and requires that public bodies (including schools):

- \*Have a due regard to the need to eliminate discrimination
- \*Advance equality of opportunity
- \*Foster good relations between different people when carrying out their activities.

At Sacred Heart we will address this through a project call 'Diversity'

#### **What is 'Diversity' about?**

- \* Teaching children to respect and accept differences and diversity using the Equality Act 2010 as a solid foundation
- \*Taking a proactive approach to bullying
- \* Reducing potential for radicalisation
- \*Preparing children for life in Modern Britain
- \* Teaching "British Values"

#### **How is it taught?**

- \* 35 picture books: 5 in each year group from EYFE to Y6.
- \* Picture books deal with all equalities in Equality Act (race, religion, gender, gender identity including transgender, age, disability, sexual orientation
- \* Each characteristic is taught in context with British law
- \*Creates and develops a whole school ethos
- \* Each class will use each text for a week underpinning all the learning focuses as well as applying their English skills

The resource aims to bring children and parents on board from the start so that children leave primary school happy and excited about living in a community full of differences and diversity
