

Reception Autumn Two

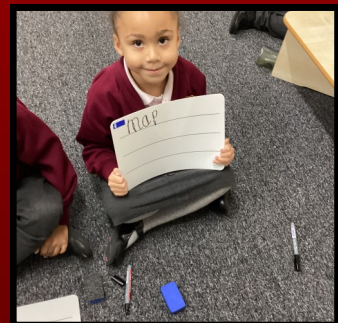

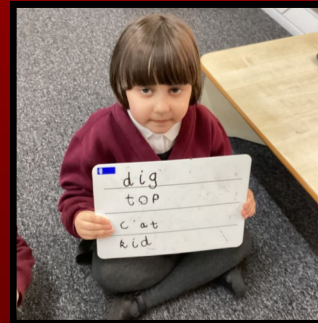

MATHEMATICS

In our Mathematics lessons, we have been learning about 5. We all now know that there are “five fingers on one hand.” We can confidently use the words more, fewer and equal.

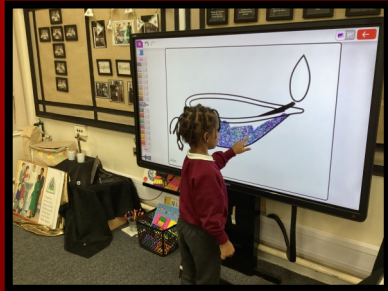

Recently, we have started to look at parts and whole. We are starting to understand that we can use parts to make a whole.

LITERACY

During Literacy lessons we have been learning how read and write simple words. We started to learn some tricky words and we are getting better at ‘spotting’ them in print.

We take part in a weekly handwriting session and our handwriting is improving every week.

Bonfire Night

Remembrance Day

Diwali

Birthdays

In our class we have been learning about
Festivals and Celebrations.
