**Summer  
Term  
05.09.2025**

## Dear Parents / Carers,

A warm welcome to all of our new children and families.

We hope you all had a restful and relaxing summer break.

The children have returned looking very smart in their uniform. Thank you for labelling jumpers and coats. If you haven't yet labelled your child's clothing please do so over the weekend. We've already had several jumpers left behind overnight, thankfully they were labelled and we were able to return them to the correct child.

PE days are as follows: These have already been shared on Facebook.

Reception - Thursday  
Year 1 - Wednesday  
Year 2 - Monday  
Year 3 - Tuesday  
Year 4 - swimming on a Friday  
Year 5 - Friday  
Year 6 - Wednesday

Thank you to everyone who has sent their child to school with the correct type of bag. School is looking much tidier and more importantly, safer for the children. We have shared any allowances we can make throughout the whole of the Summer Term with parents and we have also shared this information with the children on Tuesday in our assembly.

Next week, the key dates for the year will go live on the school website - Events calendar. The Friday assembly dates will also be shared with you all via arbor next week as well as the website. Please take a note of your child's class assembly as these do not feature on the weekly newsletter. We have made some slight changes to the themes of the Friday assemblies. There is now a greater mix of PSHE type themes as well as faith based assemblies.

A wonderful start to the school year, long may it continue. Wishing you all a lovely weekend.

### Parent Welcome Session:

On Tuesday at 3.45pm, parents are warmly invited to our Parent Welcome Sessions. Here, staff will talk to you about school procedures as well as the expectations for the year and how you can support your child. We look forward to seeing as many of you as possible attending the session. The information will be sent out to all parents, so that anyone who cannot attend, still receives the information.

### New Staff:

Over the holidays we welcomed Mrs Alker (working in Reception Class) and Miss Melville (Year 1) to the staffing team. We also welcomed Miss Rudman during the Summer Term to the staffing team. Mrs Rudman is working across EYFS/KS1 Monday - Wednesday.

### Sensory Room:

Over the holidays, this room has been painted and new flooring has been installed. We are now awaiting the arrival of the furniture and equipment to finish off the room.

### Communication Plan:

This is an important document and will be shared with you all next week. This document explains how school will communicate with you and how you must communicate with school. This ensures everyone is treated fairly and consistently.

### Arbor:

If you are not yet set up on Arbor, please speak with the school office as this App is used for the vast majority of school communication.

# AWARDS

05.09.2025
