

NEWSLETTER

**Autumn
Term
21.11.2025**

Dear Parents / Carers,

I hope this week's newsletter finds you well.

Thank you to those parents who have responded to Jude's phone call (Local Authority Attendance Officer) or to her text request for you to return her call. Her role is to support parents where data suggests issues are arising regarding attendance or punctuality.

Children in Years 2 - 6 have undertaken their Autumn Term assessments this week. Anyone who has been ill and missed them will complete them next week. Well done to all. I have seen you all working diligently completing these and showing what you have learnt so far this year.

Next week, is Design and Technology Week. I look forward to seeing the children plan, design, create and then evaluate their creations.

Mrs Rogerson has led a whole school Internet Safety assembly today. She shared the story of 'Hanni and the Magic Window'. The story was explored along with the key message that the children must share with adults any negative online experiences. The tagline T.A.G was used - Tell a Grownup - to help the children to remember today's important message. We all acknowledge that over the festive period, screen time is likely to increase, so we thought it important to help prepare the children so that they can stay safe when online.

As the winter weather is here, please don't forget:

1. Warm coats, hats, gloves, scarves, and waterproof footwear.
2. Please ensure you can log into your Arbor app. School updates re closure of school/roads around school.
3. Road travel takes longer in the winter months

Stay warm and safe!

Wishing you all a relaxing weekend.
