### School Tours:

A huge thank you to all of the families who have come to visit school and who have now either joined school or are awaiting a start date.

Thank you to all who have visited school and submitted their forms to Wigan Council regarding a place in our Reception Class (September 2026).

### Latecomers:

From the start of the year our attendance registers have recorded children arriving late amounting to 1163 minutes. This equates to 19 hours and 23 minutes loss of learning from morning lessons.

Please give yourself plenty of time for the school drop off to ensure your child arrives in school calm and ready to learn. A huge thank you to the children who arrive on time each day!

### School Carpark:

A reminder that the school carpark is not to be used by parents / carers when dropping off children before (breakfast club) or when collecting children from the after school club. The carpark is solely for staff and authorised visitors to school.

### Entry to school:

A reminder that adults and children should walk down the pedestrian path into school and not through the car park. This is for everyone's safety and to ensure that visitors to school can access the carpark safely.

### Arbor App:

The school office has an exciting change in relation to the Arbor app coming soon and it is extremely important all our families have access. If you know a family who does not have access, please kindly remind them to download the app. The school office will be happy to help with log in and access details.
