In addition to this, children are expected to continue their daily reading and to practise their times tables on TT Rockstars completing a minimum of 10 games per week. Some tasks will be paper-based, while others will be set through our online learning platform, IXL. Please make sure all home learning is finished and handed in by the following Thursday. If it isn't completed, your child will be given time at school to complete it. We encourage the children to take responsibility for their own learning and do their best to complete it on time.

**Home Reading:** As well as set homework, your child should also spend time each evening reading for at least 10 minutes. He/she will bring home a book from school. This book must be read as your child will have been assessed and set to match their reading band age. They may also read a book of their own choice from home / the library alongside this if they wish. Each child will also receive a reading record. The record should be filled in every time the child reads at home (minimum 3 x per week). The children should make notes about what they have read each week and have this signed by a parent / carer. This will be checked in school weekly so any parental comments can also be communicated here.

**How you can help at home:** Teach your child that failure is a stepping-stone to success and make academic subjects feel relevant to your child. Try to involve games in learning as much as possible. Where possible, research some areas of learning as this will act as pre learning which will support your child being ready for the lessons.
