

NEWSLETTER

**Spring
Term
06.02.26**

Dear Parents / Carers,

I hope this newsletter finds you well.

A few reminders as we draw to the end of this half term. I can't believe we are entering week 6 next week.

Monday Football Club – Monday 9th February is cancelled due to there being a football match. We still have as normal our After School Club which is run daily if needed.

Year 4 Swimming Lessons – The final swimming lesson will take place on Friday 13th February. All children have thoroughly enjoyed their time at the Pelican Centre and it has been wonderful to see their confidence in the water grow. School is still accepting contributions for these lessons via ParentPay or by cash at the school office.

Next week, I will, as always be sharing our half termly attendance data with you all. I will also share the DfE school's review of our data for Autumn Term. There are lots to be proud of and one or two areas we need to monitor a little more closely. Thank you all for your support in this matter. Regular school attendance is vitally important in supporting children's wellbeing, their sense of belonging and for their own, individual academic journey.

Next week is Children's Mental Health Week and Safer Internet Day. To support these national initiatives, we have organised Comedy Workshops for our KS2 pupils and all children will be taking part in how to stay safe online activities.

Next Friday, 13th February, is the last day of this half term. Clubs will operate as usual. We reopen on Monday 23rd February. Again, all clubs will operate as usual.

Well done to our EYFS/KS1 children on delivering a wonderful assembly on 'Significant Ladies in our Lives' earlier today.

Wishing you all a restful weekend.
