Dear Parents / Carers,

I hope this newsletter finds you well.

Pupil-Parent Conference:

On Thursday, we hold our annual Pupil-Parent Conference. This is an additional session for parents to keep informed of their child's progress throughout the year. Schools are required to hold one face-to-face parent meeting (Autumn Term) and to produce an annual written report (Summer Term).

Times are still available to book on your Arbor App. 52% of parents/carers have now booked their time slot. The Pupil Parent Conference ribbon is on your main page just below your child's attendance percentage.

The last date for booking is Tuesday 31st March.

School closes this Thursday for the Easter Break. We reopen on Monday 20th April.

Thank you for all of your support this half term.

Wishing you all a relaxing and Holy Easter.

Big Walk and Wheel:

Thank you to everyone who took part in this national challenge.

Easter Mass:

Thank you to Miss Ellison and Year 4 for leading mass with Father Carl. I received a message from Father Carl, to say how well behaved everyone was in mass and how well everyone sang – Well done and Thank You.

Free School Meals:

Free school meals are available to pupils in receipt of, or whose parents are in receipt of certain benefits, please check to see if this applies to your child. You could save approximately £475 per year!

Free school meals link – [FSM Application – Sacred Heart Atherton](#) which is displayed on our website page.

Arbor App – Family Update:

Only 5 families (2.7%) have not yet accessed the Arbor app, and 6.11% last logged in before January 2026. If this applies to you, you may be missing important updates from school. Please contact the school office if you need support..

Contact Details:

All children must have at least two contact details. Anyone who has parental responsibility for a child must also be on your child's contact lists.

We kindly ask that you inform the school office as soon as possible if there are any changes to your contact details.

This is really important, as it ensures school can contact you quickly in the event of an emergency, for example, if your child is unwell at school.
