Pupil - Parent Conference

Apologies again for the confusion this morning with the booking system; time slots being made available which should never have been presented as an option (during registration and lunch for example).

Thank you all who attended. We hope you enjoyed spending time with your child, looking through their work and seeing the progress that they have made since September. Report cards will be sent home after the Easter break for those who were unable to make any of the times available throughout today (8am - 5.40pm)

Low Bank Ground 2027 / 2028:

The Year 6 residential for the next two years have been booked. We invite parents of children in Year 5 and Year 4 to a meeting on Tuesday 5th May 2026 at 3.45pm, where we will present you with more information regarding this wonderful opportunity for your child(ren). A letter will be shared when we return after Easter confirming the date and time.

Summer Term Dates:

Any dates which have been confirmed are already on the website - Events Page. More dates (assemblies, end of year activities) will be added over the Easter Holidays and when we return. Please keep an eye out for these being uploaded.

Key Stage 2 Production:

Dates for this event will be confirmed when we return. We have received information from the local authority outlining transition expectations and dates from all Wigan High Schools. We now need to study this information and select appropriate dates for our end of year programme.

Reception Class Routines:

When we return after Easter, our reception children will no longer enter school through the side door. Instead, they will enter through the hall doors (as they do after break and lunch time) as part of their transition into Key Stage 1.
