Whilst in our indoor and outdoor classroom the children will have continuous access to resources which will develop both their fine and gross motor skills.

Religious Education

At Sacred Heart we follow the Religious Education Directory. This half term our topic is Dialogue and Encounter. In this topic, the children will learn about people from different backgrounds, beliefs and traditions. They will explore how we can listen to others, respect differences and learn from one another. Through stories, discussions and activities, children will discover that everyone is special and valued. This learning helps them to develop kindness, friendship and an understanding of the world around them.
