Communication Plan – How can you communicate with school?

- 5 working days to reply – we try to respond sooner but can't always guarantee it depending on what is already scheduled that week.
- Some of our staff are on flexible working and are not always on school site.
- Parents/carers cannot turn up to school and demand an immediate meeting – schools are private grounds and you will be asked to leave. Staff have pre-planned work to complete or undertake. Staff might not be in or in a position to support you at that time.
- Include key facts in your communication to school and try and avoid emotive language – helps us to be more effective and efficient in feedback and any investigations.
- Facebook is not a part of our communication plan – it is a window into school life. All questions, queries must be directed to the office. Inappropriate comments will be deleted and comments may be turned off for that post or class posts moving forward.
- Evidence me is not monitored daily, therefore please do not message this platform as you will not get a timely reply.

PE Day

- Thursday – Mr Barlow.
- Children to wear their PE kit all day – maroon joggers, PE t-shirt, hoodie and trainers (preferably Velcro, as the children cannot tie their own laces).

Forest School

- Wednesday – Mrs Julien, Mrs Bakkes and Miss Hart
- Children to wear school polo shirt, jumper/cardigan and plain black/maroon joggers/leggings and trainers.
- Please bring wellies and a suitable coat in a drawstring bag.
- Children dismissed via the Forest School entrance.

Ready, Respectful and Safe

- Are you ready to learn? What does this look like?
- Do you show respect to staff, peers and resources?
- Do you keep yourself, peers and staff safe?
